Description:

1. The play begins when the Goalkeeper throws the ball to one of the white players by the side of the opposite goal. That player and a second teammate try to combine and score against that Goalkeeper. As the ball is traveling from the Goalkeeper's throw two red players close down their opponents and try to prevent the white players from scoring. If they win the ball they may try and score in the white team's goal. When a goal is scored or the ball goes out of play the exercise restarts with the other Goalkeeper throwing the ball to the next two reds in line and the next two white players have to defend. This process continues in both directions.
